## B) SUMMARY:

Ghorepani Poonhill Trek is one of the most popular trek in Annapurna Region. Ghorepani lies on a major trail linking several other villages as well as the Annapurna Base Camp. From the South-East direction, it can normally be reached by foot from the village of Birethanti in about 10 hours depending on the trekker. However, many trekkers prefer to overnight at one of the lower villages on their way to Ghorepani, covering the distance over two days owing to the steepness of the trail, the increase in altitude and the beauty of the natural surroundings. From the North-West direction, Ghorepani can be reached in about 8 - 10 hours starting from Tatopani. This trail passes through the villages of Shikha, Dana and Chitre.
