This is the most awesome India trekking for Sikkim and Darjeeling where you are welcomed by the blissful rhododendrons blossoming for miles and miles in spring, from late April to mid May. On this trek we explore the Maenam and Barsay wildlife sanctuaries in the south and west, and then move northwards to the Yumthang Valley. Yumthang is one of Sikkim's most beautiful areas and here too, its meadows are swathed with delightful blooms of alpine flora. The day hikes on this program range from easy to moderate and can be done by anyone in relative good shape with an interest for the outdoors.
